LeetCode

Portfolio

PROFILE

Full-stack web developer and CSE student at NIT Sikkim with hands-on experience building production-ready MERN stack applications. Active contributor to the official NIT Sikkim website through the Web Development Cell. Strengthening DSA fundamentals through structured problem-solving (70+ NeetCode problems). Seeking internship opportunities in software development.

EDUCATION

National Institute of Technology Sikkim

B.Tech in Computer Science and Engineering | **CGPA: 8.12**

2024 – 2028

Ravangla, Sikkim, India

Government Senior Secondary School, Rewari

Senior Secondary (Class XII), HBSE | **Percentage: 81.8%**

2022 – 2023

Rewari, Haryana, India

Government Senior Secondary School, Bahadurgarh

Secondary (Class X), HBSE | **Percentage: 100%**

2020 – 2021

Jhajjar, Haryana, India

PROJECTS

Street Vendor Platform | React.js, Node.js, Express.js, MongoDB, JWT | [Live](#) | [GitHub](#)

- Built a 3-role MERN platform (customer / vendor / delivery partner) with JWT-based auth and role-based access control — each role sees a distinct dashboard and permission set.
- Designed RESTful APIs for the full order lifecycle (place → track → deliver), product management, and cart operations across MongoDB collections.
- Deployed frontend on Vercel and backend on Render with MongoDB Atlas; implemented dynamic order-tracking workflow updating state in real time across vendor and delivery partner views.

Developer Portfolio | React.js, Tailwind CSS, Vite | [Live](#)

- Built and deployed a responsive single-page portfolio with smooth scroll navigation, achievements timeline, and documented project work.

TECHNICAL SKILLS

Languages: C++, JavaScript, Python, SQL, C

Frontend: React.js, HTML, CSS, Tailwind CSS

Backend: Node.js, Express.js, REST APIs

Databases: MongoDB, MongoDB Atlas

Design: Figma (wireframing, prototyping, component design)

Tools: Git, GitHub, VS Code, Linux

DSA: 70+ problems solved (NeetCode 150) — arrays, strings, sliding window, two pointers, recursion

EXTRACURRICULAR

Web Development Cell (WDC), NIT Sikkim

UI/UX & Tech Member

2025 – Present

Ravangla, Sikkim

- Contribute to the official NIT Sikkim website as a tech member, building and integrating web features.
- Designed Figma prototypes for the alumni page — created card animations and implemented them on the live site, handling the full design-to-code handoff.

Training and Placement Cell, NIT Sikkim

Volunteer

2026 – Present

Ravangla, Sikkim

- Assist in coordinating campus recruitment drives and placement activities for the student body.

ACHIEVEMENTS

- Internal Smart India Hackathon (SIH)** – Secured **1st Rank** at institute-level selection round, led team to first position through innovative problem-solving.
- AlgoUniversity Fellowship Program** – Secured **2nd Position** in competitive problem-solving and analytical skills assessment; received medal and official recognition.
